Global Style guide

The background of the image is a dark, atmospheric scene. On the left, a large, metallic robot with a mechanical horse head is shown from the side, facing right. In the center-right, a long train with glowing orange windows moves along a track that curves upwards. The sky is filled with falling red petals or leaves, and there are bright, glowing spots of light. In the bottom left corner, there's a cluster of red flowers.

GLOBAL TIPS

WHY LESS SLIDES IS BETTER THAN MORE SLIDES

- Devoxx France runs on 3 days
- Audience loves live coding and demo
- Too much bullet points is super boring
- More text : less concentration from the audience that will just read your slides
- So this is exactly what you should not do

/ GLOBAL GUIDE

ABOUT **CODE**

BIGGER IS YOUR CODE, BETTER IS THE EXPLAIN

Show me shome code !

Try to keep a font size as big as possible.

Remember also that too much code on one slide is useless. The audience reads this texte and does not listen to your presentation anymore. Try to split on different slides your presentation.

/ GLOBAL GUIDE

DARK OR
LIGHT

BIGGER IS YOUR CODE, BETTER IS THE EXPLAIN

Better dark to show code

You can choose dark mode or light mode presentation. We made the both mask for the slide. The main theme is globaly in dark mode, its better for reading highlighting code. But you can use white background

The background image shows a panoramic view of Paris, France. The Eiffel Tower stands prominently on the right, its intricate lattice structure reaching towards a cloudy sky. In the foreground, the Seine River flows, with a bridge visible. On the left, the Louvre Museum's glass pyramid and surrounding classical architecture are visible. The overall atmosphere is a mix of historical grandeur and modern urban life.
